

WesCEF Community Grants Program

ABOUT OUR BUSINESSES

Wesfarmers Chemicals, Energy & Fertilisers' (WesCEF) is a portfolio of leading, sustainable businesses - including CSBP and Kleenheat - that operate in domestic, national and international markets.

As part of the ASX-listed Wesfarmers Limited, WesCEF is known for its safety, reliability, and innovation, employing over 100,000 people.

CSBP stands out as Western Australia's premier chemical and fertiliser manufacturer, supplying to the mining, agriculture, and industrial sectors, and exporting globally. With a 50-year presence in Kwinana, CSBP's products support various industries, from agriculture to mining and construction.

Kleenheat has a 60-year legacy in the gas sector, dealing in LPG and LNG distribution, and natural gas retail in Western Australia. Serving customers from Geraldton to Busselton, Kleenheat also operates a longstanding distribution and production hub in Kwinana.

INFORMATION FOR APPLICANTS

WesCEF's Community Grants Program supports community organisations that work to benefit the communities closest to our Kleenheat and CSBP operations in the Kwinana and Rockingham region – the largest community in which we operate.

The grants focus on supporting three priority categories; Aboriginal community initiatives, science, technology, environment and math (STEM) education, and environmental initiatives.

Applications are open until 31 August 2024.

Please submit your application using the online form at www.wescef.com.au/grants
